

2011 Tree Description and Order Form

(for alphabetic listing of tree varieties, see www.mississippimills.com/trees)

AA	Larger tree 	<p>Royal Red Maple (35mm calliper tree) Price: \$70.00</p> <p>Height: 12 m Summer Foliage: burgundy Qty. ordered: _____ Spread: 10 m Fall Foliage: maroon/reddish bronze Shape: oval to rounded Zone: 4</p> <p>NOTES: A great accent tree, rich purplish foliage turns maroon to reddish bronze in fall. Similar to Crimson King but faster growing. Holds its color all season. *3-4 years advanced growth.*</p>
BB	Larger tree 	<p>Armstrong Red Maple (40mm calliper tree) Price: \$75.00</p> <p>Height: 13 m Summer Foliage: green Qty. ordered: _____ Spread: 8 m Fall Foliage: orange to orange red Shape: upright Zone: 4</p> <p>NOTES: This variety of maple is a rapid grower, with a light grey bark and an upright growth habit. *4 years advanced growth.*</p>
CC	Larger tree 	<p>Red Sunset Maple (35 mm calliper tree) Price: \$70.00</p> <p>Height: 18 m Summer Foliage: dark green Qty. ordered: _____ Spread: 12 m Fall Foliage: red and orange Shape: upright dense Zone: 4</p> <p>NOTES: Vigorous tree with an upright, dense growth habit. Strong symmetrical branching. Brilliant shades of red and orange that last well into the fall. *3-4 years advanced growth.*</p>
DD	Larger tree 	<p>Ballerina Service Berry (250 cm tree) Price: \$70.00</p> <p>Height: 5 m Summer Foliage: green Qty. ordered: _____ Spread: 4 m Fall Foliage: orange and red Shape: upright spreading Flower: white Zone: 4</p> <p>NOTES: Upright small tree with spreading branches. Reddish fruit is readily consumed by birds in the fall.</p>
EE	Larger tree 	<p>English Oak (35 mm calliper tree) Price: \$75.00</p> <p>Height: 18 m Summer Foliage: deep glossy green Qty. ordered: _____ Spread: 13 m Fall Foliage: yellow brown Shape: broad rounded crown Flower: yellowish green catkins Zone: 4</p> <p>NOTES: Majestic tree. Transplants easily. Retains its leaves until spring. *3-4 years advanced growth.*</p>
FF	Larger tree 	<p>Shubert Cherry (35 mm calliper tree) Price: \$65.00</p> <p>Height: 5 m Summer Foliage: maroon red Qty. ordered: _____ Spread: 4 m Fall Foliage: scarlet red Shape: oval Flower: white Zone: 2</p> <p>NOTES: Extremely hardy tree with foliage that starts out green and changes to purple as it matures. Useful where a small tree is needed. *2-3 years advanced growth.*</p>
GG	Larger tree 	<p>Greenspire Linden (35 mm calliper tree) Price: \$60.00</p> <p>Height: 15 m Summer Foliage: dark green Qty. ordered: _____ Spread: 10 m Fall Foliage: yellow Shape: pyramidal Flower: yellow green Zone: 3</p> <p>NOTES: A rapid growing tree with a beautifully symmetrical pyramidal crown and small dark green leaves. An excellent shade tree. *3-4 years advanced growth.*</p>

2011 Tree Description and Order Form

(for alphabetic listing of tree varieties, see www.mississippimills.com/trees)

A		<p>Green Mountain Sugar Maple (200-225 cm tree) Price: \$45.00</p> <p>Height: 22 m Summer Foliage: dark green leathery Qty. ordered: _____ Spread: 17 m Fall Foliage: reddish-orange to orange Shape: broadly oval Flower: greenish-yellow Zone: 4</p> <p>NOTES: A very good sugar maple selection with dark green leathery leaves. Callipers well. Very nice Fall colour.</p>
B		<p>'Fall Fiesta' Sugar Maple (200-225 cm tree) Price: \$45.00</p> <p>Height: 20 m Summer Foliage: glossy green Qty. ordered: _____ Spread: 12 m Fall Foliage: red Shape: broadly oval Flower: orange Zone: 4</p> <p>NOTES: A cross between a red and silver maple. Has excellent long lasting fall colour. Transplants readily. Resistant to sun scalding and frost cracks.</p>
C		<p>Silver Queen Silver Maple (225-250 cm branch whips) Price: \$35.00</p> <p>Height: 20 m Summer Foliage: medium green above, Qty. ordered: _____ silver below Spread: 9 m Fall Foliage: yellow Shape: oval Zone: 3</p> <p>NOTES: Very good ornamental tree. Native sugar maple. White underside of leaves gives appearance of changing colours in a breeze.</p>
D		<p>Royal Red Maple (225-250 cm tree) Price: \$50.00</p> <p>Height: 10 m Summer Foliage: burgundy Qty. ordered: _____ Spread: 9 m Fall Foliage: maroon/reddish bronze Shape: oval to rounded Zone: 4</p> <p>NOTES: A great accent tree, rich purplish foliage turns maroon to reddish bronze in fall. Similar to Crimson King but faster growing. Holds its color all seasons.</p>
E		<p>'Heritage' River Birch (275-300 cm multi-stem tree) Price: \$55.00</p> <p>Height: 13 m Summer Foliage: medium to dark green Qty. ordered: _____ Spread: 11 m Fall Foliage: yellow Shape: broadly pyramidal Zone: 4</p> <p>NOTES: Beautiful white bark, exfoliating as it matures. Very attractive against a dark background. Resistant to Birch Borer.</p>
F		<p>Hackberry (225-250 cm tree) Price: \$50.00</p> <p>Height: 15 m Summer Foliage: light green Qty. ordered: _____ Spread: 12 m Fall Foliage: yellow Shape: weakly pyramidal Zone: 2</p> <p>NOTES: Excellent tree for adverse soil conditions; grows well in dryer soil, water well the first year.</p>
G		<p>Russian Olive (200-225 cm tree) Price: \$40.00</p> <p>Height: 6 m Summer Foliage: silver grey Qty. ordered: _____ Spread: 5 m Fall Foliage: yellow Shape: rounded Flower: yellow Zone: 2</p> <p>NOTES: Attention getting greyish green foliage. Does well in dryer conditions, best in light sandy loams. Yellow flowers in June produce a sweet scent. Very hardy.</p>

2011 Tree Description and Order Form

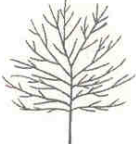

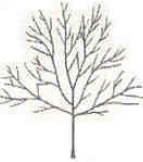

(for alphabetic listing of tree varieties, see www.mississippimills.com/trees)

H		<p>Ginkgo (Maidenhair) Tree (200-225 cm tree) Price: \$60.00</p> <p>Height: 15 m Summer Foliage: yellow green Qty. ordered: _____ Spread: 10 m Fall Foliage: yellow Shape: broadly pyramidal Zone: 4</p> <p>NOTES: Fossil tree with unusual fan shaped leaves, exceptionally disease resistant, prefers sandy moderately moist soil but will grow well in clay. Leaves turn a striking yellow in the fall.</p>
I		<p>Honey Locust (225-250 cm tree) Price: \$40.00</p> <p>Height: 9 m Summer Foliage: dark green Qty. ordered: _____ Spread: 8 m Fall Foliage: yellow Shape: upright oval Zone: 4</p> <p>NOTES: A large size tree with dark green composite leaves that turn yellow in the fall. Gives a nice light shade.</p>
J		<p>Dolgo Crabapple (200-225 cm tree) Price: \$40.00</p> <p>Height: 10 m Summer Foliage: green Qty. ordered: _____ Spread: 8 m Fall Foliage: yellow Shape: upright open habit Flower: white Zone: 3</p> <p>NOTES: Glossy green foliage, white flowers and upright open habit. Well known for its bright red edible fruit. Used to make excellent Crabapple jelly. A favourite since 1917.</p>
K		<p>Harvest Gold Crab Apple (200-225 cm tree) Price: \$40.00</p> <p>Height: 7 m Summer Foliage: green Qty. ordered: _____ Spread: 5 m Fall Foliage: yellow Shape: upright Flower: white Zone: 3</p> <p>NOTES: Long lasting white flowers, very disease resistant.</p>
L		<p>Madonna Crabapple (175-200 cm tree) Price: \$40.00</p> <p>Height: 6 m Summer Foliage: green Qty. ordered: _____ Spread: 3 m Fall Foliage: yellow Shape: upright compact Flower: fragrant double white Zone: 4</p> <p>NOTES: Upright, compact crabapple for smaller spaces. Very fragrant double white lasting longer than other crabs. Excellent disease resistance.</p>
M		<p>London Plane (225-250 cm brwhips) Price: \$40.00</p> <p>Height: 15 m Summer Foliage: medium green Qty. ordered: _____ Spread: 12 m Fall Foliage: yellow Shape: rounded Zone: 5</p> <p>NOTES: Experimental Farm has a majestic specimen planted 1897. This variety was chosen for its disease resistance. Another striking feature is the natural peeling of the bark.</p>
N		<p>English Oak (200-225 cm tree) Price: \$50.00</p> <p>Height: 18 m Summer Foliage: deep green Qty. ordered: _____ Spread: 13 m Fall Foliage: yellow brown Shape: broad oval Zone: 4</p> <p>NOTES: Fast growing, adapts well to many locations, very hardy, leaves remain throughout winter. Long living tree with very high wild life value.</p>
O		<p>Red Oak (275-300 cm tree) Price: \$55.00</p> <p>Height: 18 m Summer Foliage: dark green Qty. ordered: _____ Spread: 16 m Fall Foliage: red Shape: rounded Flower: yellowish green catkin Zone: 3</p> <p>NOTES: Broad headed native tree with dark green lobed leaves, turning a bright red in the fall. High wild life value.</p>
